1. Briefing

Maak een website drie voorgestelde onderwerpen. Onze keuze gaat voor stevia chocolade in plaats van suiker.

1.1. Beschrijving

De site is gemaakt via een CMS systeem, in dit geval Wordpress. De klant heeft via een backoffice volledige controle over de inhoud van de site.

2. Functionele analyse

De site maakt gebruik van een blogsysteem, beschikt over een contactformulier, Google Maps integratie, wedstrijdformulier en Sociale Media feed.

Waarover gaat de app? Het stelt de vele mogelijkheden van chocolade met de suikervervanger 'stevia' voor.

Hoe? Aan de hand van Wordpress en dus een mobiel geoptimaliseerde site.

Doelgroep? Mensen die op zoek zijn naar alternatieven voor suiker, maar ook personen die een lekker recept zoeken waar chocolade de basis legt.

Software?

3. Persona's

Man, 60 jaar

Zoekt een goed recept

Geïnteresseerd in koken

Gebruikt de website om een lekker recept te vinden. Hierbij maakt hij niet bewust een keuze tussen suiker of stevia. Het gaat vooral om iets nieuws dat hij nog niet gemaakt heeft.

Leerkracht, 35 jaar

Wilt leerlingen gezond laten eten

Geïnteresseerd in musea

Wilt haar studenten iets meer over de gevolgen van suiker vertellen. Hierbij maakt ze gebruik van foto's en documentatie. Ze laat weten dat niet veel moet veranderen om een grote impact te hebben. Op de site vindt ze de nadelen van suiker alsook de voordelen van stevia in voedsel.

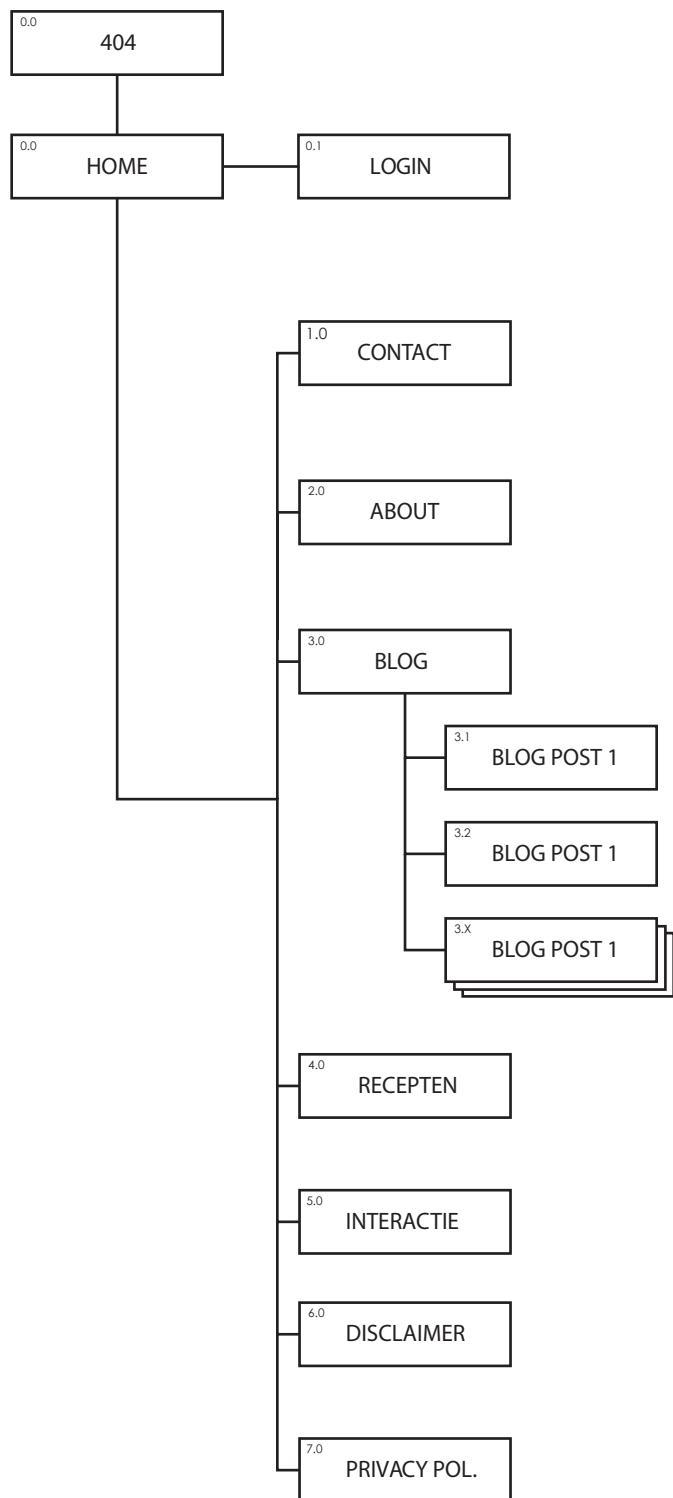

Studenten, 22 jaar

Zit op kot in Gent

Schrijft een thesis over stevia VS. suiker

Hij gebruikt de voorbeelden op de site als basis voor zijn werkstuk. Hij komt via het contactformulier in aan接触 met het bedrijf. Hij is geïnteresseerd in de wedstrijd en deelt dit via social media met al zijn vrienden.

5. Ideeën bord

The image shows a dark-themed contact us page from Everyday UI. It features a map of São Paulo, Brazil, showing the location of 'The Astronaut Company'. Below the map is a table comparing sugar alternatives:

	Honey	Stevia	Agave Nectar
1 cup sugar			
1 Tbsp. sugar			
1 tsp. sugar			
Notes	Decrease baking time by 2-4 minutes, add a pinch of baking soda and decrease oven temperature by 25 degrees.		
	To replace bulk, add applesauce, apple butter or yogurt.		
	Decrease liquid by 1/4 cup, increase cook time by 10% and decrease oven temperature by 25 degrees.		

An introduction to the zero calorie, plant-based sweetener of natural origin. Key points include:

- Stevia is a plant originally from South America.
- Discovered 200+ years ago in Paraguay, the leaves were used to sweeten beverages.
- Today, stevia is grown in Paraguay, Kenya, China and the US.
- For those with a green thumb, it can be grown in your home garden for other needs and spice.
- The stevia leaf is naturally sweet, up to 350x sweeter than sugar.
- About 3 leaves can replace 25% of the calories in 1 glass of soda.
- Stevia can play a role in a well-balanced diet, containing 0 calories.
- Over 200 studies have illustrated stevia safety for the entire family.
- It has been approved for use by multiple regulatory agencies around the world.
- Stevia is enjoyed across the globe, with 4 billion people using it in their food and beverage products.

HOW TO WRITE THE PERFECT About Page

Introduce Yourself

What's your core message? Let people know what you do and how you can help. Connect with them.

Let them know that you get them

Let them know that you know who they are... that you get what they want / need. Address their questions.

- How am I feeling right now?
- What do I want most right now?
- What am I trying to do but can't?
- What's stopping me?
- How do you know what it's like and the feeling I have around it?

Next, tell your story

Tell the story of your biz and your why. Explain what you do and how it relates to them. Share what you've overcome. Leave your heart on the page.

Paint a picture of what will change for them after YOU

What will they have after you? How will they feel after you? What will they be able to do?

Tell them what to do next

8. Wireframes

8.1. Wireframe HomeWireframes

The wireframe shows the layout of the home page:

- Header:** A dark grey header bar with a navigation menu containing "Home", "Interactie", "Recepten", "Blog", "About", and "Contact". There is also a placeholder for a logo or image.
- Section - HOME -**: A large white section with the heading "- HOME -".
- Section WEDSTRIJD**: A white section with the heading "WEDSTRIJD" and a sub-section "Registreer nu voor de wedstrijd.".
- Section ABOUT**: A white section with the heading "ABOUT". It contains two columns of placeholder text (Lorem ipsum) and a small image placeholder.
- Section RECEPTEN**: A white section with the heading "RECEPTEN" and a large image placeholder consisting of a grid of 12 squares, each with an 'X' through it.
- Section BLOG**: A white section with the heading "BLOG" and a smaller image placeholder consisting of four squares, each with an 'X' through it. To the right are navigation arrows for the blog posts.
- Footer:** A dark grey footer bar with the same navigation menu as the header. It also includes social media icons (Facebook, Instagram, Twitter, YouTube, LinkedIn, Pinterest), a copyright notice ("© 2017 - Woohoo Chocolade"), a disclaimer link ("Disclaimer - Privacy Policy"), and a login link ("login").

8.2. Wireframe Interactie

The wireframe illustrates a web page layout for an interaction section. At the top, there's a navigation bar with links: Home, Interactie (which is highlighted in blue), Recepten, Blog, About, and Contact. Below the navigation is a large header area containing the text "- INTERACTIE -". A sub-instruction "Registreer hieronder voor de wedstrijd en maak kans op 1 jaar lang chocolade." follows. The main content area contains three input fields for Name, First Name, and Email, followed by a text area for a motivation message. A "Send" button is located below these fields. To the right of the input fields is a sidebar with two sections: "Reglement" (Regulation) and "Wedstrijdverloop" (Competition Schedule). Both sections contain placeholder text (Lorem ipsum...) describing the rules and schedule. The footer mirrors the top navigation and includes social media icons (Facebook, Instagram, YouTube, Twitter, LinkedIn), a copyright notice (© 2017 - Woohoo Chocolade), a disclaimer link, a privacy policy link, and a login link.

8.3. Wireframe Recepten

The wireframe illustrates a user interface for a recipe website. At the top, there is a dark grey header bar containing navigation links: Home, Interactie, Recepten, Blog, About, and Contact. To the right of these links is a large, empty white rectangular area. Below the header is a light grey main content area. In the center of this area, the text "- RECEPTEN -" is displayed in a bold, uppercase font. Below this, there is a search bar with the placeholder "Zoek naar een recept" and a button labeled "Zoeken". A small note below the search bar says "Zoeken naar: [input field] Zoeken". The main content area is divided into two sections, each featuring a recipe card. The first card is titled "Chocolade Cake" and contains a short description of the recipe followed by a large amount of placeholder text (Lorem ipsum). The second card is titled "Chocolade Muffins" and also contains a short description and placeholder text. Both cards have a light grey background and a thin black border.

8.4. Wireframe Blog

The wireframe illustrates a blog website layout. At the top is a dark grey header bar with a central white square placeholder. Below it is a navigation bar with links: Home, Interactie, Recepten, Blog, About, and Contact. The main content area is titled "- BLOG -". It contains four blog post cards, each with a title, date, author, and a snippet of text. To the right is a sidebar with a "Categorieën" section containing a dropdown menu and a "Recente Berichten" section with a snippet of text. The footer is a dark grey bar with the same navigation links as the header. Below the footer are five small circular icons representing social media or sharing options. The footer also includes copyright information and links for Disclaimer, Privacy Policy, and login.

8.5. Wireframe About

The wireframe shows the layout of the 'About' page. At the top, there is a navigation bar with links: Home, Interactie, Recepten, Blog, About, and Contact. Below the navigation bar is a large section titled '- ABOUT -'. This section contains three placeholder boxes, each marked with a large 'X' indicating they are empty or awaiting content. To the left of the first placeholder box is a block of placeholder text. To the right of the second placeholder box is another block of placeholder text. The bottom of the page features a footer with links: Home, Interactie, Recepten, Blog, About, and Contact. Below these links are five small circular icons. At the very bottom of the footer, there is a copyright notice: © 2017 - Woohoo Chocolade, followed by links to Disclaimer and Privacy Policy, and a login link.

10. Screenshots

The screenshots illustrate the Woohoo Chocolade website's layout and features:

- Top Navigation:** Home, Interactie, Recepten, Blog, About, Contact.
- Home Page:** Features a "WEDSTRIJD" section with a registration form for a competition. It includes sections for "ABOUT", "Recepten" (with images of various chocolate dishes), and "BLOG".
- Interactie Page:** A competition entry form titled "- Interactie -" asking for name, email, and a reason why someone wants to win a year of chocolate. It includes a "Reglement" (Rules) section and a "Wedstrijdverloop" (Competition process) section.
- Recepten Page:** A search bar for recipes, followed by two detailed recipe cards: "Chocolade Cake" and "Chocolade Muffins". Each card includes ingredients, steps, and a photo. The "Chocolade Cake" card is signed off by "Schrijver: Dweezel Van Eeckhout".
- BLOG Page:** A blog section with five categories: "Hier gaan we weer", "Blog sjijlen", "Wie zijn er bijna, maar nog niet thuis!", "Going live", and "Coding @ McDonalds".
- Footer:** Copyright © 2017 - Woohoo Chocolade, Disclaimer - Privacy Policy, and a link to Legal.

The screenshot shows the 'About' page of the Woohoo Chocolade website. At the top, there's a navigation bar with links for Home, Interactie, Recepten, Blog, About, and Contact. Below the navigation, there's a heading '- About -'. On the left, there's a text block about what makes their product unique, mentioning traditional Belgian chocolate and its history. In the center, there's a large image of a spoon filled with white chocolate next to two strawberries. On the right, there's another text block about their history and how they've been in business for 7 years.

Wat maakt ons product zo anders?
"Chocolade wordt wel eens gauwvaardig met snoepjes en zo. Wij vinden dat echte Belgische chocolade een opstanding verdient. Onze chocolade wordt niet gemaakte met de traditionele suiker. Hiervoor gebruiken wij de zoutchocoververganger stiklo. Deze geurige zoutchoco is een echte smaakgenot.
Steeds is de smaak van de toekomst.
Suiker maakt gebruik van
gevouwen ontgrondingmiddelen. Zware machines maken bessen met de grond gelijf.

We zijn een bedrijf gelegen in het Gentse. Van hieruit verspreiden we wereldwijd de **Belgische chocolade**.
Dit is gemaakt op ambachtelijke wijze. Of we of nu kunnen niet meer zonder suiker.
We hebben ruim 7 jaar ervaring in de chocolade industrie. Mendor is een team met respect
gespecialiseerd in Belgische en internationale Luk Roeters, de eigenaar van Mendor is een echte bruisende en enthousiaste mens die het zijn werkje dan je doet. Er zijn veel factoren die zorgen voor de kwaliteit. "Chocolade", gaat Luk verder. "Vanselfs" is de basis.
